Dear Applicant:

As you make the Village of Sagaponack aware of an event or party you are planning, we hope that you will be mindful that your application relates to the community at large. We feel it is important to emphasize the importance of respecting other homeowners and visitors to the Village. Our roads are narrow, our speed limits low. Please keep your neighbors in mind.

We have every good reason to appreciate the efforts necessary to support worthy charities and not-for-profit organizations. It is expected that you will coordinate your party with consideration, especially relating to parking, lighting and noise. The capacity of any location in Sagaponack is limited by these factors.

The information requested in the permit application process provides guidance to the Trustees in the consideration of your application. We trust that your plans will provide for a safe and well-organized event and will minimize inconvenience to others.

Sincerely

The Sagaponack Village Board of Trustees
